**Please forward this message to vice-presidents
according to your provincial communications protocol.**

It is with gratitude and humility that I begin my service as national vice-president. I am deeply honoured for the trust placed in me and for the gift of walking alongside you in service to the League. If you are curious about me, please see my biography on the national website under [Meet Our Executive](#).

The role of the national vice-president is one of support, encouragement and connection. I will work closely with National President Betty Colaneri and the national executive/board to help guide the League strategically, while listening to and lifting the voices of members at every level at every opportunity. Together, members are stronger as we share our experiences, wisdom and hopes for the future. My prayer and vision for the upcoming term is to:

- Nurture Connections and Belonging: Foster strategies that strengthen the bonds of sisterhood among councils and members so that every woman feels welcomed, valued and heard.
- Foster Leadership in Faith: Support members to step into leadership opportunities with confidence, rooted in prayer and the guidance of the Holy Spirit.
- Support Renewal and Growth: Embrace opportunities that help the League remain vibrant, relevant and a strong witness of the Catholic faith in today's world.

I look forward to working with each of you in service to the League and to our shared mission. Together, guided by the Holy Spirit, we will continue to build a vibrant and faithful future for the League.

Our Lady of Good Counsel, pray for us.

Yours, in faith and service.
