CONVERSION OF HEART:

Ignite Your Passion
Empower His Mission

FINDING HOPE IN HUMANITY'S HUNGER FOR JESUS

Date: September 15, 2026

Time: 4:00 p.m. CDT

Host: Karen Rossiter, National Chairperson of Faith

Speaker: Anna Vail, Coordinator of Family, Life and Youth for the Roman Catholic Diocese of Charlottetown

Anna Vail explores the "holy hunger" for belonging and purpose that resides in every heart. Drawing on her mission experience and work with youth, she discusses how humanity's deepest desires are often met with worldly distractions that leave hearts empty. Through moving stories of transformation, Anna shares how members can help the next generation encounter Jesus—the one who truly quenches that thirst—by leaning on the Holy Spirit and leading with beauty, truth and goodness.

Anna Vail is a proud Islander whose heart for ministry was first sparked in a high school youth group. This formative experience led her to commit her life to God and later serve as a missionary team leader with NET Canada. She brings a passion for hope and connection to her work, blending a professional background in strategic design with a deep personal devotion to the church and its future.
