

Ignite Your Passion with the Joy of Sisterhood!

A Meet and Greet with the National Executive!

Excitement is building as we approach the League's annual national convention!

We are thrilled to invite members to a special meet and greet with the national executive/board. Members attending the national convention will have a chance to connect, be inspired and help build the energy and pride that will carry the League into one of its most important events on the calendar.

Come meet the national officers and provincial presidents for some one-to-one time. It's also an opportunity to meet other members across Canada in a social and casual setting.

This is more than just an event—it is an opportunity to strengthen connections, celebrate our shared purpose and generate a real momentum of excitement and unity for the days ahead.

Mark your calendar and join us on Sunday, August 9th from 1:30–3:30 p.m. at the Halifax Convention Centre for this exciting pre-convention gathering.

Take a photograph with one of the board members or a group photograph!

Bring your passion, enthusiasm and lots of hugs! The event is free! No ticket required!

We look forward to seeing you!
