you will set the world on fire.”

to be presented soon in a nearby region of your diocese. Contact your diocesan organization chairperson for details.

Catch the Fire! is our new CWL leadership training package.

From all dioceses across Canada, we heard that one of the greatest needs was for basic leadership training.

The national Leadership Development Committee has watched the excitement build over this past year and a half. It is our dream that you will take part in this training in your diocese, this year, in your province.

Using the metaphor of fire, the sessions are themed after aspects of fire, showing the new life it can bring:

Light the Match: opening prayer

Spark: structure and function in the League

Kindling: League resources

Light: faith enrichment

Warmth: League sisterhood

Energy: standing committee challenges

Heat: resolutions

Renewal: working through resistance

Fanning the Flames: recruit, retain and remember members

Hospitality of the Hearth: closing reflection

Pass the Flame: evaluation

Wildfire: sharing what you have learned

We will sing and dance around this campfire of ideas.

When we say Leadership training, we know that not everyone is or wants to be a leader. Nonetheless, God calls each of us to lead in our own way. *Catch the Fire!* will give you the League knowledge and tools to be a fire-starter who helps someone else become a leader!

Just like a fire draws us in to see what is happening, we hope this Development Day will attract you to attend this opportunity to learn more about the League. *Catch the Fire!* will help you to love the League, feel the sisterhood and experience the joy of being a League member.

We hope you will be among the first parish councils across Canada to *Catch the Fire!*

As Catherine of Sienna said: *“Be who you are meant to be and you will set the world on fire!”*
