

**The Catholic Women's League of Canada's
National Website Keyword Catalogue**

This document is a comprehensive keyword catalogue designed to make it easier for members to find and retrieve documents from The Catholic Women’s League of Canada’s national website. The entire collection of website posts (totalling over 1,100) has been reviewed, and keywords and phrases that relate to each post’s content have been assigned. Additional search engine optimization has been conducted to improve the likelihood of these posts appearing on Google if someone searches for a similar topic. This will make the national website easier to find and more searchable online.

The list of keywords has been compiled in this document and on the website’s site map for members to reference when searching for specific posts. The site map can be accessed by visiting cwl.ca, scrolling to the bottom of the page and selecting “SITE MAP.” On this page is a categorized list of posts and possible keywords and tags to help members find specific documents and posts on the national website. It is the entire index for the national website.
